Dear MS. Way,

I just wanted to take a moment to thank you for being a part of our program. As you know, I am the new activity director of Oceanside Adult Day Center. We are a non-profit organization. Our goal is to provide the North County with low cost specialized programs for cognitively impaired and/or physically frail older adults. As you can imagine, meeting the needs of such a diverse population can be a tall order to fill. Especially on a shoe string budget.

Your educational/ informative programs have made a huge difference in the lives of our participants. Your contributions and continued enthusiasm have helped us to keep the program fresh and alive with new perspective. You run a quality program that I am proud to put on my calendar each month. You are a real breath of fresh air. Thank you for coming to us.

Respectfully,

Elenah S. Buckner
Activity Director
Oceanside Adult Day Center

MISSION STATEMENT

To provide optimal care to adults with cognitive and physical health impairments through adult day programs, respite care and community and caregiver support.
