To Whom It May Concern:

I would like to recommend Jeanette Alesio Way's classes. Her "History Matters" programs are both stimulating and informative. Jeanette gears her programs to her audience. Not only does she present her program in both a visual and auditory way, she encourages participation by asking questions. This creates a cozy atmosphere and helps Seniors with mental stimulation. Her programs are unique and informative – Give her a try!

Sincerely,

Elissa Landsman,
Senior Activities Coordinator
