Dear Jeanette:

On behalf of the Museum of Man and myself, I want to express our sincere appreciation and thanks for your presentation regarding African American Inventors that took place on our Footsteps Family Day, January 20, 2003.

Your professionalism and presentation was outstanding and the response from those in attendance was enthusiastic and extremely well received. It is always a pleasure to be able to work with knowledgeable and dedicated individuals such as yourself. I look forward to hopefully having the opportunity of working with you again in the near future. Again, on behalf of the Museum and myself, thank you so much.

Sincerely,

Amy Whitman
