To Whom It May Concern,

Jeanette Alessio Way's Life on Wheels Program ignites laughter and curiosity in my residents. I am an Activity Coordinator for a senior independent facility in Encinitas, California and it is a challenge to provide interesting and unique programs to my residents, as they bore easily. Jeanette's programs are very unique and have great educational value too; we always learn new facts from every program she has presented. She also has a very warm manner and a great speaking voice which keeps their attention. My residents always look forward to her presentations.

Sincerely,

Melinda Wynar  
Activity Coordinator, Seacrest Village
